4. The intent of the ARNG direct commissioning program is to offer an alternate commissioning source to exceptionally qualified individuals. The ARNG Direct Commissioning Program is not intended to replace or adversely affect Officer Candidate School (OCS) or other commissioning programs. An individual will not request a direct appointment; rather, an individual must be nominated and selected for consideration by the chain of command. The following factors apply when determining whether an individual should be nominated for a direct appointment or should attend OCS:
